In this filing, we are revising our Illinois Viking Insurance Company of Wisconsin "Dairyland Auto" automobile program rates.

The Monthly 03NS and the Six Month 09NS products will have identical rates with the exception of term, paid in full discount and the quarterly discount and the renewal effective dates. The purpose of continuing with two identical products is to give the insured the option of the payment term that best fits their individual needs.

With this filing, we are:

- Updating Base Rates
- Updating factors within our tables throughout the filing.
- Adding zip codes from the latest USPS update to our zip-terr definitions
- Updating our agent guide

There are no other changes being made anywhere else in our manual.

These new rates should help to maintain our products pricing at an adequate and more accurate rate level, thus allowing our company to grow profitably in the future. The long-term success of this program depends on these changes.

*Adjusted to reflect all prior rate changes.

No.

Brief description of filing. (If filing follows rates of an advisory organization, specify organization):

Homeowner underwriting guidelines have been expanded to allow pools with slides that meet certain criteria to be written with separate UW approval. Pools with slides will be surcharged in the same way that diving boards and trampolines are today. The manual rule for functional replacement cost coverage has been revised to clarify the loss settlement that will occur for these properties.

These rule revisions have caused certain page numbering throughout the manual to change. Also, the manual index has been revised to note the inclusion of pool slides in the diving board and trampoline surcharge. The changes to these manual pages are editorial and do not produce any material change in the product.

Dwelling Property eligibility guidelines have been revised to include several new items. The manual rule for functional replacement cost coverage has been revised to clarify the loss settlement that will occur for these properties.

A rule in the Personal Liability Umbrella coverage manual has been revised to address risks with pool slides that are now eligible for coverage under the homeowner program.
